Dear Greg:

Our Firm has decided to deemphasize patent prosecution and is therefore withdrawing from any further representation of InfrAegis, Inc. and you (collectively "InfrAegis"), in relation to all legal matters for which we have previously acted.

This withdrawal will take effect immediately, subject only to our obligations in connection with rules applicable to the U.S. Patent and Trademark Office ("PTO"). In particular, we are preparing to file in the PTO a petition seeking permission to withdraw from representation on all InfrAegis matters that are currently in the PTO.

1. File Transfer

We are prepared to provide an orderly transition of all of InfrAegis' files to which InfrAegis is entitled as soon as that can be arranged. In this regard, we will forward such files to your new counsel, if any, or directly to you. In order to accomplish this, please advise us as soon as possible, of the name and address of your new counsel.

2. Upcoming Due Dates

We are enclosing herewith a docket print-out of all domestic and foreign patent and trademark matters we have handled. Please note that the left column of the listing sets forth due dates for various actions. Failure to meet any of these dates could adversely affect InfrAegis' rights, such as causing patents or patent applications to become abandoned.

We look forward to receiving the information requested in item 1 above so that we can complete an orderly and timely transition of your files.

As noted above, effective immediately, our Firm will have no further responsibility for the handling of your matters, including, but not limited to, filing papers and fees at the PTO or foreign patent offices to meet the above-referenced deadlines. Again, the failure to meet such deadlines may result in the permanent loss of patent and trademark rights. We will not advance the fees and costs that would be necessary to meet such deadlines. The deadlines are your sole responsibility.

Should you have any questions on the above, please call.

Sincerely yours,
